COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Notification of Defective Response mailed June 21, 2002, requested applicants to pay additional claim fees. However, in calculating the additional fees, the PTO did not take into account a preliminary amendment filed at the same time as the present application (November 17, 2001). The preliminary amendment cancelled multiply dependent claims. A copy of the preliminary amendment is attached.

In view of cancellation of claims in the preliminary amendment, it is submitted that additional claim fees are not required.
